

Dear Fairgoers,

Once again, we are busy making plans for the Beltrami County Fair being held from August 10th through August 14th. (Note the new week-end.)

What's new this year at the fair? We have been working on several improvements around the fairgrounds this past year. The 4-H building has a new floor covering in the food booth area. There are new bigger wash racks in the cattle barn and more fans have been installed in several barns to keep the animal exhibits more comfortable. We have installed a new sound system in both animal arenas and we are excited to have this quality sound for announcements and judges comments during the shows. We are making room for record numbers of animal exhibits and may have to rearrange some barns. Again this year we are having a draft horse pull on Wednesday night in the grandstand. Also the Beltrami County Bake-Off is scheduled for Thursday, August 11th on the heritage square stage. There are activities in the Dog Arena every day of the fair and the Horticulture area will have a demonstration stage where various gardening ideas will be shown. The entertainment committee has been working hard to bring you a full schedule with a wide variety of local musical talent throughout the fair. Come and enjoy free entertainment on the Country Stage!

Again this year, Gopher State Expositions is offering pre-sale tickets on-line. Check out the link on our website at www.beltramicountyfair.org. We update the site often with the premium lists, judging schedules, Country Stage events and links to other useful information. Please support our local individual and business sponsors who help support your local County Fair by advertizing with banners or ads.

Bring the whole family, young and old. There is something to see and do for all ages at the 2011 Beltrami County Fair!

Frequently Asked Questions about Fair Entries

1. "Who can enter items in the Beltrami County Fair?"

Anyone can enter items in the Open Classes. Only 4-H members may enter items in 4H classes.

2. "What is an Open Class?"

Open Class is just that: open for entry by anyone who has created an item or has an animal that meets the class and lot description. The item must be the work of the person entering it. It is not acceptable to enter a gift you received or a purchased item. Animal entries must be owned by the entrant.

3. "Is there a fee to enter?"

There is no fee to enter an exhibit in the Open Class areas.

4. "How do I enter?"

You or someone you designate must bring the item/s or animal/s to the fairgrounds. Come to the Barn or Exhibit area designated for the Department. Intake volunteers will take your entry and put an exhibit ticket on it and give you a claim stub.

4. "How do I know what can be entered?"

This Premium Book tells about the fair - the whats and whens. It also contains lists. Lists of Open Classes and 4-H classes. The lists in the Open Class give the classes and lots for entries. If your item or animal fits something that is listed in an Open Class it can be entered. If you have questions about where an item fits or need other information related to exhibits contact the Department Superintendent or area coordinator. If you are entering animals check with the Department Superintendent to see what shots and health certificates may be required.

5. "What if my item does not fit anything in the lists?"

Most of the classes have a lot called "Not Specified". If your item would go in a class but there is no specific lot that fits it, enter it in the Not Specified lot. Work that does not fit in the classes may be exhibited but will not be judged. The Home Arts Department welcomes such exhibits; if these new exhibits create interest we may add that type item to next year's judged exhibits.

6. "Does every entry get a ribbon?"

KIDS AREA of each class are the only lots in the Open Classes where every entry gets a ribbon. SO--If your child is making an entry and you want the child to get a ribbon- MAKE SURE to enter the item in a KIDS AREA lot. All entries in KIDS AREAS get a participation ribbon. In general Open Class lots, ribbons will only go to the top three exhibits.

7. "Do I get money if I win a ribbon?"

Yes. The prize money for a ribbon is called the premium. Premium award amounts for Blue - Red - and White are listed with the lots. There are no monetary awards for purple ribbons or participation ribbons. There are some special awards from businesses or guilds that award money- gift certificates- or special prizes.

8. "When Can I pick up my item?"

The items you enter must remain at the Fair and will be on exhibit until the last day of the Fair. There will be a specific time to pick up entries and premiums won on the last day.

Usually it is from 5-7pm. Bring the claim stub from each entry ID tag to pick up you items.

Frequently Asked Questions about Judging of Open Class Exhibits

1. Can I watch the judging?

The Open Class exhibit areas in the Home Arts and Horticulture Departments are closed during judging. To keep the entries anonymous the names are covered on the ID tickets during judging. Only the judge and several helpers complete the judging process and pin ribbons on the winners.

2. Can I help with the judging?

Possibly. To run the fair takes lots of volunteers. Volunteers are needed to help with judging as well as with other parts of the exhibits. Come to a Fair Board meeting or contact the Department Superintendent if you want to help.

3. Who does the judging?

The Fair Board looks for people with knowledge and expertise in the areas being judged. The judges may change from year to year. It depends on availability. Judges do not make entries in any areas they judge.

4. What judging system is used?

The American judging system is used. This judging process ranks exhibits one against another and awards 1 first place, 1-second place, and 1 third place only. Judges may withhold awards in any lot if, in their opinion, no exhibit is worthy. This rarely occurs as most entries are well made. In lots where there are more than three entries some entries will not receive ribbons. Most entries are very good, but only the three top entries receive ribbons.

Textile Arts

- **Information Cards are recommended for each entry you bring to Textile Arts.** Please come with an information card attached to each entry you bring to Textile Arts. These are different than the pre-registration form. The information card remains on the entry during the fair.

Besides helping judges and visitors learn about your entry, having each entry clearly labeled helps get entries tagged and into correct categories, hopefully making entry day quicker, faster and easier for all.

Form to use in making your Information Cards:

Dept 1 Class: _____ Lot: _____ Description: _____
(Take these directly from premium list- Use the same numbers & info. to pre-register your item)
Item name: _____
(What do you call the item?)
Materials used: _____
(List supplies)
Techniques Used: _____
(Tells how you made it.)
Planned Use: _____
(Tell how you will use it)

Guidelines

1. Do **NOT** put your name on the information card.
2. Keep it all on a 3 inch by 5 inch card—you can use front and back of the card but cards no larger than 3x5 inches.
3. If there is room it is great to give details about how you made it. (Print or type so people can easily read it.)
4. Kids classes- Please put age on information card, and if the child had help making the item, please tell who helped, what the helper did and what the child did.

GENERAL INFORMATION

This area is for home gardeners only – persons who earn a living selling produce are excluded. Exhibitors should keep in mind that attractiveness of displays and exhibits is important. All vegetables should be cleaned and free of dust. All vegetables such as carrots, beets, parsnips, etc., should be topped. Do not cover rhubarb, etc. ends with foil. Show sweet corn in husks. Avoid over skinning of dry onions. It is generally not advisable to wash vegetables and potatoes in water in preparation of exhibiting, but if done in such a way that the exhibit is not skinned, the exhibit will not be disqualified. Indicate the variety names of your exhibits. This information adds to the educational value of your exhibit.

Garden displays shall be arranged by the exhibitor and attractiveness and beauty of the exhibit shall be considered in judging. Avoid putting in freaks or oversized vegetables. Remember that the food value and variety of vegetables and fruits in the exhibit, as well as the quality, will be the basis on which these displays are judged.

Entries must be submitted between the hours of 11:30 a.m. to 7 p.m. on entry day, Wednesday, August 10, 2011, and must be picked up at 5 p.m. on the final day of the fair. Pre-registration greatly speeds up the entry process. Exhibitors with a large number of exhibits are encouraged to arrive early to avoid congestion. Late entries will not be accepted. All exhibitors are asked to come prepared with written entry information appropriate to category.
