Frequently Asked Questions about Fair Entries

1. "Who can enter items in the Beltrami County Fair?"

Anyone can enter items in the Open Classes. Only 4-H members may enter items in 4H classes.

2. "What is an Open Class?"

Open Class is just that: open for entry by anyone who has created an item or has an animal that meets the class and lot description. The item must be the work of the person entering it. It is not acceptable to enter a gift you received or a purchased item. Animal entries must be owned by the entrant.

3. "Is there a fee to enter?"

There is no fee to enter an exhibit in the Open Class areas.

4. "How do I enter?"

You or someone you designate must bring the item/s or animal/s to the fairgrounds. Come to the Barn or Exhibit area designated for the Department. Intake volunteers will take your entry and put an exhibit ticket on it and give you a claim stub.

4. "How do I know what can be entered?"

This Premium Book tells about the fair - the whats and whens. It also contains lists. Lists of Open Classes and 4-H classes. The lists in the Open Class give the classes and lots for entries. If your item or animal fits something that is listed in an Open Class it can be entered. If you have questions about where an item fits or need other information related to exhibits contact the Department Superintendent or area coordinator. If you are entering animals check with the Department Superintendent to see what shots and health certificates may be required. Pre-registration is encouraged for Home Arts and Horticulture exhibits and required for livestock exhibits.

5. "What if my item does not fit anything in the lists?"

Most of the classes have a lot called "Not Specified". If your item would go in a class but there is no specific lot that fits it, enter it in the Not Specified lot. Work that does not fit in the classes may be exhibited but will not be judged. The Home Arts Department welcomes such exhibits; if these new exhibits create interest we may add that type item to next year's judged exhibits.

6. "Does every entry get a ribbon?"

KIDS AREA of each class are the only lots in the Open Classes where every entry gets a ribbon. SO--If your child is making an entry and you want the child to get a ribbon- MAKE SURE to enter the item in a KIDS AREA lot. All entries in KIDS AREAS get a participation ribbon. In general Open Class lots, ribbons will only go to the top three exhibits.

7. "Do I get money if I win a ribbon?"

Yes. The prize money for a ribbon is called the premium. Premium award amounts for Blue - Red - and White are listed with the lots. There are no monetary awards for purple ribbons or participation ribbons. There are some special awards from businesses or guilds that award money-gift certificates- or special prizes.

8. "When Can I pick up my item?"

The items you enter must remain at the Fair and will be on exhibit until the last day of the Fair. There will be a specific

time to pick up entries and premiums won on the last day. Usually it is from 5-7pm. Bring the claim stub from each entry ID tag to pick up your items.

Frequently Asked Questions about Judging of Open Class Exhibits

1. Can I watch the judging?

The Open Class exhibit areas in the Home Arts and Horticulture Departments are closed during judging. To keep the entries anonymous the names are covered on the ID tickets during judging. Only the judge and several helpers complete the judging process and pin ribbons on the winners.

2. Can I help with the judging?

Possibly. To run the fair takes lots of volunteers. Volunteers are needed to help with judging as well as with other parts of the exhibits. Come to a Fair Board meeting or contact the Department Superintendent if you want to help.

3. Who does the judging?

The Fair Board looks for people with knowledge and expertise in the areas being judged. The judges may change from year to year. It depends on availability. Judges do not make entries in any areas they judge.

4. What judging system is used?

The American judging system is used. This judging process ranks exhibits one against another and awards 1 first place, 1 second place, and 1 third place only. Judges may withhold awards in any lot if, in their opinion, no exhibit is worthy. This rarely occurs as most entries are well made. In lots where there are more than three entries some entries will not receive ribbons. Most entries are very good, but only the three top entries receive ribbons.

TEXTILE ARTS

Information Cards are recommended for each entry you bring to Textile Arts. Please come with an information card attached to each entry you bring to Textile Arts. These are different than the pre-registration form. The information card remains on the entry during the fair.

Besides helping judges and visitors learn about your entry, having each entry clearly labeled helps get entries tagged and into correct categories, hopefully making entry day quicker, faster and easier for all.

Form to use in making your Information Cards:

Dept 1 Class: _____ Lot: _____ Description: _____
(Take these directly from premium list- Use the same numbers & info. to pre-register your item)
Item name: _____
(What do you call the item?)
Materials used: _____
(List supplies)
Techniques Used: _____
(Tells how you made it.)
Planned Use: _____
(Tell how you will use it)

Guidelines

1. Do **NOT** put your name on the information card.
2. Keep it all on a 3 inch by 5 inch card—you can use front and back of the card but cards no larger than 3x5 inches.
3. If there is room it is great to give details about how you made it. (Print or type so people can easily read it.)
4. Kids classes- Please put age on information card, and if the child had help making the item, please tell who helped, what the helper did and what the child did.

GENERAL INFORMATION

All poultry except waterfowl and pigeons must be negative to the rapid whole-blood plate test for pullorum and typhoid diseases applied within 90 days prior the opening date of exhibition, provided that no test shall be required on poultry originating directly from the parent stock tested and found negative with the preceding 12 months.

-

Testing for typhoid and pullorum will be done for a nominal fee, but must be arranged in advance by calling the superintendent at least 4 weeks before the fair. For birds hatched in current year, no testing is required if you get a **CERTIFICATE OF ORIGIN** from your hatchery (which they will provide if you request it). If you have any questions, please call the superintendent at least 3 weeks in advance of the fair.

Entry Times:

- Wednesday from noon – 5pm and 8pm – 10pm (barn may use one or both times). Check with superintendent for Wed schedule.
- Thursday from 9am – 3pm.

ADVANCE REGISTRATION IS REQUIRED AND MUST BE RECEIVED BY FRIDAY PRIOR TO FAIR WEEK (along with the health papers, certificate of origin, testing form).

No more than 2 entries can be made in any one lot by the same exhibitor.

No exhibitor can make more than 50 entries.

All birds must be identified by individual numbered leg bands. Required by State of Minnesota Dept. of Animal Health..

Release time is 5:00 pm on the closing day of the fair, Sunday, with all birds removed from the fairgrounds by 8:00pm.

All exhibits will be under control of the superintendents. Sales allowed only under supervisor direction at the end of the fair.

The supervisors reserve the right to reject any entries.

4-H entries will not be allowed to compete in open class, however, 4-H members may make separate entries in open class.

This association will use every care and precaution in the management and care of the birds, but will not be responsible for any loss or damage.

All eggs laid during the exhibition will be collected as property of the association.

Any specimen showing symptoms of sickness or parasites will be removed from the fairgrounds. Exhibitors handling any specimens on exhibit other than their own shall forfeit all claims they may have on the premium. Exhibitor will not be allowed to change birds from one coop to another without permission of the supervisor.

Judging will be done according to the American Standard of Perfection.

Display cards may be used after the awards have been placed.

All young birds exhibited must be 12 weeks of age or older or they will be barred from competition. Decision of the supervisor will be final.
