
Textile Arts

- **Information Cards are recommended for each entry you bring to Textile Arts.** Please come with an information card attached to each entry you bring to Textile Arts. These are different than the pre-registration form. The information card remains on the entry during the fair.

Besides helping judges and visitors learn about your entry, having each entry clearly labeled helps get entries tagged and into correct categories, hopefully making entry day quicker, faster and easier for all.

Form to use in making your Information Cards:

Dept 1 Class: _____ Lot: _____ Description: _____
(Take these directly from premium list- Use the same numbers & info. to pre-register your item)
Item name: _____
(What do you call the item?)
Materials used: _____
(List supplies)
Techniques Used: _____
(Tells how you made it.)
Planned Use: _____
(Tell how you will use it)

Guidelines

1. Do **NOT** put your name on the information card.
2. Keep it all on a 3 inch by 5 inch card—you can use front and back of the card but cards no larger than 3x5 inches.
3. If there is room it is great to give details about how you made it. (Print or type so people can easily read it.)
4. Kids classes- Please put age on information card, and if the child had help making the item, please tell who helped, what the helper did and what the child did.
